

FREELANCE CREATIVE DESIGNER (3D)

THE MISSION

To deliver the highest standards of 3D design work, contributing to the company's reputation for creativity and added value to clients' businesses through design ideas. You will be proficient in polygon modelling, digital rendering, scene lighting and material/texturing skills for the creation of retail design and POS displays.

THE OPPORTUNITY

We're looking for an extremely creative, motivated and ambitious freelancer, to work on a project-by-project basis. Understanding the concepts and initial design intent, and presenting this as a visual representation. This may involve reproducing creative concepts into graphical forms, or may involve interpretation and artistic design ability to represent the ideas in photo-realistic 3D digital renderings and animations.

THE REQUIREMENTS

- Experience with retail POS/displays.
- Accomplished, dynamic and confident creative thinker.
- Capable of delivering 360 degree concepts and/or concepts that have been translated across other channels.

To submit an interest in this Freelancing opportunity, please email your portfolio to Jodie Groves (Office Manager/PA) at Jodie.groves@displaymode.co.uk or call the office on 01536 460 805.

DisplayMode is an equal opportunity employer. All applicants will be considered for employment without attention to race, colour, religion, sex, sexual orientation, gender identity, national origin, veteran or disability status.
